Cherry and Richard Howitt

INTRODUCTION

Cherry's Early Learning Centre offers you a high quality childcare and education service in a natural, caring, and safe home-like environment.

We provide a daily programme of free-play alternatives and planned activities, based on the children's interests and an inquiry learning approach to our current projects.

Our curriculum basis is Te Whariki and our focus is on children's wellbeing, communication, belonging, contribution and exploration.

Our Centre is an Enviroschool and we adhere to the principles of sustainability in all our practises.

OUR PHILOSOPHY

Children are unique individuals, supported by professional teachers and in partnership with their families, they are encouraged to be curious about our world and their place in it.

Parents, as the first educators of their children, are valued for their wealth of talent and diversity.

Cherry's is an Enviroschool where sustainable practices, both environmentally and ethically, form the foundations of our beliefs and practices.

We provide a nurturing, homelike, learning environment in a garden setting, where the child's place in nature, and respect of our earth, is valued.

Through waiata, te reo and tikanga Māori our children appreciate the bicultural heritage that is theirs as young New Zealanders.

HOLIDAYS

We are closed for Public Holidays, including Show Day. We are open through all School Holidays, except Christmas, when closing times are for about two weeks. Dates are to be notified each year.

IMPORTANT INFORMATION

BOOKING COMMITMENTS

Minimum booking times are for TWO days. Your booking is permanent and must be paid for until cancelled with TWO weeks written notice. Keep to booking times as changes affect our staff/child ratios and licensing capacity.

ABSENCES

If a child is absent, full fees are payable for the booked time.

If a family has bookings for 20 hours or more and the Centre has one week's notice of an absence then half fees are payable, for up to four weeks per year, providing they are not consecutive for more than three weeks. If you are absent for more than three weeks in a row, please advise our centre as MOE funding stops and you will need to pay full fees to retain the booking.

There are no half fees for children accessing 20 Hours ECE. Please notify us if your child will not be attending. No fee is charged for Statutory Holidays or for the closure at Christmas.

OUTINGS

All excursions require parents signed permission prior to each outing. Staff to child ratios are posted on outing forms for your approval before signing.

SICKNESS

The Centre will publicise any common infectious diseases which children may be exposed to during their time at the Centre. Children may not attend if they are sick. Children must be free of symptoms for at least 48 hours if they have had a fever, rash, sticky eyes, diarrhea or vomiting.

IMMUNISATIONS

All children aged 15 months or older are required to show staff an Immunisation Certificate and fill in the Immunisation Verification form. Children without immunisation may be asked to stay away if there is a risk of them catching a disease for which there was a vaccination.

ATTENDANCE REGISTER

It is important that you sign in your child each day upon arrival and enter arrival time, then sign out when leaving and enter the time you depart. Daily attendance must be for a minimum of six hours on a regular basis. We may not claim full funding for children who do not attend to this pattern.

We are dedicated to providing quality education and childcare, so please immediately discuss with us any concern that you may have.

Please note that parents and caregivers are welcome to visit at any time.

We trust that your time with us will be a happy one.
